

Tightens, Soothes & Improves Skin Texture

SKIN *Tight!*
MESOTHERAPY CREAM

Net Contents 3.5oz.

SKIN *Tight!*

One full press of the pump dispenses enough cream to treat six square inches of the skin. Each pump (about 1.35 grams) provides a 60 mg. dose of the key ingredients.

Suggested use:

As an aid to lipid metabolism (fat emulsifier), apply twice a day to desired areas such as: abdomen, thighs, love handles, hips, arms, buttocks, chin or any other areas needing treatment.

Caution:

Discontinue use if irritation occurs. Contact physician before re-using.

Ingredients:

Deoxycholic Acid – 5% concentration, Phosphatidyl Choline, Purified and Deionized Water, Propylene Glycol, Isopropyl Palmitate, Shea Butter, Sodium Hyaluronate (HA), Allantoin, Glyceryl Stearate, Sodium PCA, Capric/Caprylic Triglycerides, Stearic Acid, Cetearyl Alcohol & Ceteareth-20, C12-C13, Isoparaffin, Polyacrylamide, Laureth-7, Carbomer, Methyl Paraben, Propyl Paraben, Disodium EDTA, Diazolidnyl, Vitamins A, C, and E.
